Biography

Orda is one of the few emigrants from Asgure living in Rautha. When she was just 9 years old, her mother fell in love with a Rauthan soldier who had come to Asgure during the reprisals of 292-293. At the end of the conflict, her mother decided to join her lover with her daughter to build a new life in the Duchy of Velugian. Since then, Orda has followed in the footsteps of her stepfather, with whom she is very close, and wishes to join the Alliance like him.
